

HOG MARKET STRONG

Large Shipments Received Yesterday.

TOP PRICE WAS \$5.22 1-2

Cattle Receipts Light and Prices Continue Steady.

The hog market showed up nicely yesterday and held the prices level with the preceding day. Considerable of much took place just before the close and about ten carloads were unloaded by 6:30 last night.

Prices ran all the way from \$5.00 up to \$5.22, and the quality of everything was better than the usual run of hogs. According to the bidding and the present demand the indications are first class for a higher market. Yesterday all day it was safe to say that the market was strong and closed about the same.

Provisions are reported some lower, but not sufficiently to affect materially the market today. Kansas City is off the market today. The telegraphic reports place here at the lower, which puts that market in a difficult position. St. Joe was down a few cents Tuesday. Chicago quoted hogs at the higher and that market closed strong. Wichita closed strong with an excellent demand which will make everything better for the market for this week.

Cattle still continue at about the same prices. One bunch of fine stockers brought \$3.80 yesterday and calves brought \$4.00.

Hog Sales.

By an arrangement between the packers and commission men, hogs arriving late in the night are fed, watered and weighed up on arrival and the next morning sold at the previous day's prices. These hogs are quoted under the head of "early sales," and the cash receipts, the sale of which is governed by the market for the day on which they are sold, are quoted under the head of "late sales."

Laloma, O. T., was represented in the Wichita market yesterday by Stauffer & Co., who had an extraordinary load.

C. C. Houchin of Burton was in the Wichita market yesterday with hogs. Mr. Houchin is one of the old stand-by of this market and always speak a good word for the buyers here.

The best all-around load of hogs that was sold in the market yesterday was shipped in by Steiner & Hubert from Lyons, Kan. This load brought \$5.22. The hogs were mostly of uniform size and weight and were pretty in every respect. Buyers are always glad to get an opportunity to purchase such stuff as this and pay the very top for all they can get.

W. A. Pope of Krenlin, O. T., one of the largest stockers in the market, was in yesterday with a load of the stockers. Mr. Pope handles both hogs and cattle and is in the livestock business quite extensively.

Campbell & Horton came in yesterday from Caldwell, with hogs. They are among the biggest shippers to Wichita. George W. Hoff of Miami was in the market yesterday with a shipment of hogs. He is the man who never gets "buffy" at the treatment he receives here and his frequent return shows that he is pleased with the market.
